

Stainless Steel Valves - Direct Acting: K02

Automatic Valve's Stainless Steel series of valves are designed to be corrosion resistant even in the most abusive environments.

- Features:
- 303 Stainless Steel (Option S)
 - 316 Stainless Steel (Option SS)
 - NEMA 4, 4x standard solenoid
 - Explosion-Proof solenoid options for use in hazardous environments.
 - 1/8" or 1/4" NPTF
 - 2 Way or 3 Way
 - Direct acting
 - Normally closed or Normally open

Many valves need to be located in corrosive or caustic environments. To solve this problem, Automatic Valve offers the K02 series valves in two grades of stainless steel, 303 and 316. To order a stainless steel valve simply add an "S" or "SS" to the end of the valve model number (see Table below).

1/8" Inline		Option S	Option SS	
Body		303 Stainless Steel	316 Stainless Steel	
Seal		Fluoroelastomer	Fluoroelastomer	
Solenoid Body		Polyamid 66	Polyamid 66	
Solenoid Stem		303 Stainless Steel	303 Stainless Steel	
Dimensions L x W x H (Single NEMA 4)		0.98 x 3.1 x 0.98	0.98 x 3.1 x 0.98	
Flow Cv		0.1	0.1	
Available Coils		All 7019 Series (sold separately)	All 7019 Series (sold separately)	
Model Numbers	2 Way	Normally Closed	K02-006-**S	K02-006-**SS
		Normally Open	K02-007-**S	K02-007-**SS
	3 Way	Normally Closed	K02-004-**S	K02-004-**SS
		Normally Open	K02-005-**S	K02-005-**SS

1/4" Inline		Option S	Option SS	
Body		303 Stainless Steel	316 Stainless Steel	
Seal		Fluoroelastomer	Fluoroelastomer	
Solenoid Body		Polyamid 66	Polyamid 66	
Solenoid Stem		303 Stainless Steel	303 Stainless Steel	
Dimensions L x W x H (Single NEMA 4)		0.98 x 3.1 x 0.98	0.98 x 3.1 x 0.98	
Flow Cv		0.1	0.1	
Available Coils		All 7019 Series (sold separately)	All 7019 Series (sold separately)	
Model Numbers	2 Way	Normally Closed	K0223JAXR-**S	K0223JAXR-**SS
		Normally Open	K0223KAXR-**S	K0223KAXR-**SS
	3 Way	Normally Closed	K0223GAXR-**S	K0223GAXR-**SS
		Normally Open	K0223HAXR-**S	K0223HAXR-**SS

** = Coil Voltage Code. Coils sold separately. Refer to "Electrical Information" pages in the our catalog for more information.
